Hey you! I’m Catbot. I’m a character in Deafverse that helps players make choices in the game. Now it’s time for YOU to choose your future!

This kit is all about you. If you were a character in Deafverse, what would the comic book version of you be like? Tell us about what makes you who you are!

What are your goals for the future? What do you need along the way to reach your goals?

Don’t worry if you aren’t sure what to put down at first. Sit back and think it through. You can also ask your friends, family, school staff, or vocational rehabilitation counselor to see if they have any thoughts to share with you.

The activities in this kit are from the Player Strategy Guide for World One: Duel of the Bots. To explore more, play Deafverse and download the full Player Strategy Guide!
Now, tell us a little about yourself! Create your Deafverse character, a comic book version of you. The only rule is that you need to be honest with yourself and put down what makes you ... well, you!
